- UZBEK (FLUENT)

REFERENCES

Available upon request

Teaching Assistant

02/2012 – 03/2013

Heronsgate Primary School, London

www.heronsgate.greenwich.sch.uk

- Provided valuable assistance to teachers, aiding in lesson planning and facilitating support for children with diverse needs.
- Collaborated with educators to foster an inclusive learning environment, highlighting excellent communication and adaptability.

Junior Tester

05/2011 – 09/2011

Intelligent Solutions, Tashkent, Uzbekistan

www.is.uz

- Conducted rigorous testing of applications pre-deployment, involving writing SQL functions and employing analytical thinking.
- Demonstrated attention to detail, creative problem-solving, and strong analytical skills in ensuring software quality.

PROJECTS

Electric Car Data Analysis

Client: Greenwish Ltd

Duration: 11.2022 – 12.2022

- Assisted Greenwish Ltd in selecting electric vehicles for a new sales rep fleet.
- Utilized Python and Pandas for data analysis and visualization.
- Calculated total cost of ownership (TCO) to inform strategic decisions.
- Presented findings in a comprehensive report to guide the decision-making process.

Bookstore Inventory Management System

Duration: 02.2023 – 02.2023

- Developed an intuitive inventory and sales management system for a small bookstore owner.
- Designed a relational database using SQLite and created a user-friendly interface with Tkinter.
- Implemented functionalities for adding, updating, and tracking book inventory and sales.
- Provided data visualization features for insights into sales trends and inventory levels.
